

THE LOST SCIENCE OF MONEY, by Stephen Zarlenga,  
co-founder, American Monetary Institute, [www.monetary.org](http://www.monetary.org)

Dr. Michael Kumhof, Deputy Division Chief, Modeling Division, Research Department, of the International Monetary Fund (IMF) gave this one sentence review of *The Lost Science of Money* book:

**"A masterful work."**

(from page 13 of his IMF working paper, *The Chicago Plan Revisited*, which has swept the economic world by storm)

“This book looks marvelously helpful and has some stunning historical vistas of the whole concept of media of exchange.”
